

— INDEPENDENT TRAVEL ADVISOR / TICO #XXXXXXX

You're spending \$8K on a honeymoon. Let's make sure you don't land in a room with a parking-lot view.

Same hotels you'd book on Expedia. Same prices. Except you arrive to upgrades, daily breakfast, \$100 hotel credits, and the email address of a human who's actually awake when something breaks.

— THE MATH, PLAINLY

Booking direct is literally the same price. But you get less.

Hotels pay travel advisors a commission. Booking through me costs you nothing. They don't lower your rate when you cut us out — they just keep the commission.

So you can pay full price and arrive to a basic room, or pay full price and arrive to an upgrade, breakfast, and credits. That's it. That's the pitch.

— WHY WORK WITH US

Travel advisors aren't dead. The old ones are just hard to find under 60.

The whole industry skews to your parents. Preface is built around the trips you're actually taking — honeymoons, family weeks, bach trips, milestone groups — with a brand that doesn't sound like a 1996 brochure.

\$0

COST TO SWITCH FROM EXPEDIA

The hotel pays our commission, not you. Booking direct or through us is identical rate-wise. The difference is what arrives in your room.

24/7

REAL HUMAN ON WHATSAPP

Flight canceled in Lisbon at 2am? Hotel overbooked? Resort doesn't have your reservation? You text me, I fix it. Try that with Booking.com.

5★

HOTEL PARTNER STATUS

Through Fora, I have direct relationships with Aman, Belmond, Six Senses, Excellence, Rosewood, and most major chains — the upgrades you can't get yourself.

/

NO MINIMUM, NO MEMBERSHIP

This isn't an exclusive concierge club with a \$50K trip minimum. \$3K bach weekend or \$80K family pilgrimage — same energy.

— WHAT WE BOOK

The trips you only take a few times in your life. Try not to screw them up.

We don't do hotel-stays in Buffalo. We do the trips that have to land — the ones you'll show photos of in five years.

01 / Honeymoon

The trip you've been overthinking for nine months.

Maldives. Italy + Greece. South Africa + Mauritius. Costa Rica + Nicaragua. The right answer depends on whether you want to read books in bed or do something every day.

\$8-18K typical · 14 days planning

02 / Family

The all-inclusive that doesn't feel like an all-inclusive.

The kids want a kids' club, the adults want quiet. We know which properties actually deliver both and which ones just claim to.

\$5-14K typical · 7 days planning

03 / Bach + Bachelorette

Twelve girls. One villa. Multiple group chats. We can do this.

Mykonos, Tulum, Lisbon, Nashville, Miami. We handle the villa, the dinners, the boat day, and the moment when one of them decides she needs a separate room.

\$1.5-3K/pp typical · 21 days planning

04 / Milestone & family group

Twenty people. Five family WhatsApp groups. One trip.

40th birthdays. Parents' anniversaries. Multi-gen Israel trips. Bar/bat mitzvah celebrations abroad. The trips where someone usually loses their mind.

\$25-80K typical · 60+ days planning

05 / Babymoon & anniversary

The last trip just the two of you for a while.

Wellness-led, lower-key, somewhere you don't have to think. Six Senses. Como. Aman. Bodyholiday. We've stayed at most of them.

\$3-8K typical · 7 days planning

06 / Friend-group annual

The annual ski week / golf week / Greek week that everyone forgets to plan.

Eight friends, one villa or chalet, dinners booked, transfers handled. You stop being the unpaid travel agent for your friend group. That job goes to me.

\$2-4K/pp typical · 30 days planning

— A REAL RECEIPT

Show, don't tell. One of last month's bookings.

Names changed. Numbers real. This is the actual difference between what they booked and what they got.

If you've ever stayed at a Belmond, an Aman, a Rosewood, a Six Senses, a Four Seasons, or a Mandarin Oriental and didn't get a room upgrade — you should be working with someone.

— THINGS WE ACTUALLY BELIEVE

If you can't tell what your travel agent thinks, **they're not your travel agent.**

Hot takes from the newsletter. No-pressure click — but if any of these annoy you, we're probably not the right fit.

"Sandals is mid. There are three all-inclusives in the Caribbean that aren't, **and none of them advertise on TV.**"

/ Issue 12, March 2026

"Maldives in August is a scam. **Half the islands are unrentable** in monsoon. Your advisor should be telling you this."

/ Issue 14, April 2026

"The honeymoon you're planning shouldn't be the same hotel every couple in your wedding posted about. **Get a personality.**"

/ Issue 9, February 2026

"If you're flying eleven hours, you should be staying at least eight nights. **Jet lag is not a souvenir.**"

/ Issue 15, May 2026

— HOW IT WORKS

The whole thing, in four steps. **None of them weird.**

1 20-min intro call You tell me where you're going (or not), when, who, and a budget you'd consider spending. I tell you whether I'm the right fit.	2 Planning fee \$300–\$2,500 depending on trip complexity. Locks in your dates and gets me building. Refundable through the first proposal if it's not what you wanted.	3 Proposal & iterate 2–3 options with real numbers, real itineraries, real reasoning. We refine. Once you're in, you book through my platform at the same rate Expedia would charge.	4 You go. I stay awake. WhatsApp me if a flight cancels, a hotel's overbooked, or you want a restaurant rec in Tokyo at 11pm local. I'm the human in the loop.
