— THE MATH, PLAINLY —

Same rate. *Better arrival.*

What the difference looks like on a real \$8,000 booking.

**\$8,000 honeymoon. \$3,460 in
added value.**

*The hotel publishes one rate. Booking direct vs. through me is
identical in price. The difference is what's already waiting in
your room — paid by the hotel's marketing budget, not your
card.*
